

ACI Africa is pleased to welcome onboard NAFFCO as its latest business partner.

NAFFCO, the world's leading brand known for its total solution on Fire, Health and Safety in more than 100 countries worldwide, provides complete solution – under one roof – for the Aviation Industry.

The products under its aviation division are developed in association with its best in-class technology partners from Europe/USA and are manufactured in its state-of-the-art production facility in line with ISO 9001, ISO 45001 and ISO 14001 quality standards as well as the aerospace quality standard AS9100C.

Product after sales service is supported by its 24x7 After Sales and Service network available in over 100 countries globally with 15,000 employees and over 2,000 certified engineers.
