**The African airport of tomorrow,
Ensuring resilience and profitability in the new normal
From 12 to 16 March 2022, Mombasa - Kenya**

ACI Africa is back with its face-to-face events and will hold the 67th Board Meeting and Regional Committees, and Conference and Exhibition from 12 to 16 March 2022 in the vibrant city of Mombasa in Kenya at the kind invitation of Kenya Airports Authority.

This conference, themed *The African Airport of Tomorrow, Ensuring Resilience and Profitability in the New Normal*, will cover the main challenges facing African airports in ensuring resilience and profitability in the new normal, and will include sessions on air connectivity, customer service and innovation, cargo development, non-aeronautical revenues and crisis communication management, amongst others.

Watch out for more details on the event in the coming days.

For enquiries on the event, as well as exhibition and sponsorship opportunities, please contact:
